

**SAMI ARCHAEOLOGICAL NETWORK
SAMIARC**

**First Call for Paper to the 3rd SAMIARC Seminar,
29th—30th of September 2010**

The Sami Archaeological Network was initiated by the Universities of Umeå, Tromsø, Helsinki and St. Petersburg during 2006. The network was started to give scholars working with Sami Prehistory and Early History the opportunity to meet and spread and discuss research results, initiate new collaborations over the national borders.

The first SAMIARC seminar was held in Rovaniemi in October 2006 and the second seminar was held in St. Petersburg in November 2008. The 3rd seminar will be held at Røros in Norway the 29th—30th of September 2010. The seminar will be held in connection to and in cooperation with the EU-financed project "Saemieh Saepmesne-I det samiska rummet" and the Cultural festival of Røros.
